WHEREAS the Peel District School Board ("PDSB") recorded at its December 12, 2017 In Committee Meeting ("in camera") that they entered into an agreement with Community Sports Partners for the construction and operation of an artificial surface sports playing field and other improvements at Applewood Heights Secondary School;

WHEREAS the project was brought to Councillor Fonseca's attention by a resident on February 16, 2018;

WHEREAS the PDSB contacted the City of Mississauga's Planning Department on February 23, 2018 via eplans requesting a pre-screening;

WHEREAS the City of Mississauga's Planning Department advised Councillor Fonseca on March 7, 2018 that based on the information provided to them on February 23, 2018, the improvements are not subject to Site Plan approval;

WHEREAS the School Board Trustee provided Councillor Fonseca with limited information on March 20, 2018;

WHEREAS the PDSB distributed a letter to the community addressed March 28, 2018 (delivered in and around April 4, 2018) and posted same letter on their website advising improvements would commence in late April, 2018;

WHEREAS the PDSB provided residents with only three weeks' notice of the impending improvements;

WHEREAS Councillor Fonseca's Office has received an overwhelming number of phone calls and emails from residents expressing their disapproval of the notification process and lack of consideration of neighbourhood impacts that this project will cause;

WHEREAS Councillor Fonseca has repeatedly request the PDSB and the School Board Trustee to hold a community meeting to address residents' concerns and their opportunity to ask questions before construction commences;

WHEREAS the PDSB has refused to hold a community meeting;

WHEREAS the PDSB neglected to inform the community in a timely fashion of a sports dome project on the same lands in April, 2014;

WHEREAS it was very clear in 2014 by the surrounding community, the City of Mississauga and the Ward 3 Councillor that a sports dome is not appropriate at this location;

WHEREAS limited information provided by PDSB on the License Agreement between PDSB and Community Sports Partners leaves the door open for future justification for a sports dome as well as use of the field beyond 8:00pm which will significantly impact the surrounding community;

NOW THEREFORE BE IT RESOLVED that Council prepare a letter to the PDSB requesting this project be postponed until a community meeting can be held.

*and that a stop work order be issued
the Chief Building Officer be requested to review
and apply the necessary action. CR JK.*
