I have arranged a Community Meeting for **Wednesday, October 18, 2017, at 7:00 p.m.** at **Tomken Twin Arena** (4495 Tomken Road, small auditorium – upstairs). The purpose of this meeting is to provide information regarding a future development at 1355 Silver Spear Road (west side of Dixie Road, south of Burnhamthorpe Road East). The proposal is to construct a new 12 storey apartment building with 128 units, in addition to the existing 14 storey 199 unit apartment building, with a new access to Dixie Road.

I hope to see you there.

Respectfully,

Chris Fonseca  
Councillor, Ward 3
