

January 31, 2019
Project: 15-1940

SILVERTHORN PUMPING STATION EXPANSION

What are we doing?

- Expanding the pumping station to accommodate new water pumps and new electrical systems.
- Performing external work including moving a watermain, installing electrical transformers, switchgear, and a new hydro pole at the street, as well as additional landscaping and site works.

When?

- We expect to start work in March 2019 and complete work by fall 2020.

Who can you call?

Region of Peel		
Contact Person	Responsibilities	Telephone Number
Heather Jefferson	Project Manager	905-791-7800, ext. 7881
Ty Jardine	Technical Analyst	905-791-7800, ext. 5060
Carman Plester	Inspector	905-791-7800, ext. 3246
CIMA		
CIMA is the Consulting Engineer		
Contact Person	Responsibilities	Telephone Number
Jaime Boutillier	Contract Administrator	437-999-6099

Working Hours

- Our contractor's normal working hours are from 7 a.m. to 7 p.m. These hours are consistent with Mississauga's bylaws. If we have to work outside of these hours to maintain the normal operation of this facility, we will let you know.

Interrupting Your Water Supply

- We do not anticipate interrupting your water. However, if it is necessary, it is our goal to let you know 48 hours (2 days) in advance.

Project Updates

- The Region of Peel will always let you know if there are any major changes to the plans.
- We will try to disturb you as little as possible.
- Please call the project manager or inspector if you have any concerns or special needs.

Thank you!

Heather Jefferson
Project Manager
